

Why LiftMaster®?

BUILD TO IMPRESS.

We know you greatly value your work and reputation. We're proud to offer top-quality products at a range of price points you need for a job well done, whether the project is building a single-family home or an entire community.

Excite your customers with advanced features in:

CONNECTIVITY

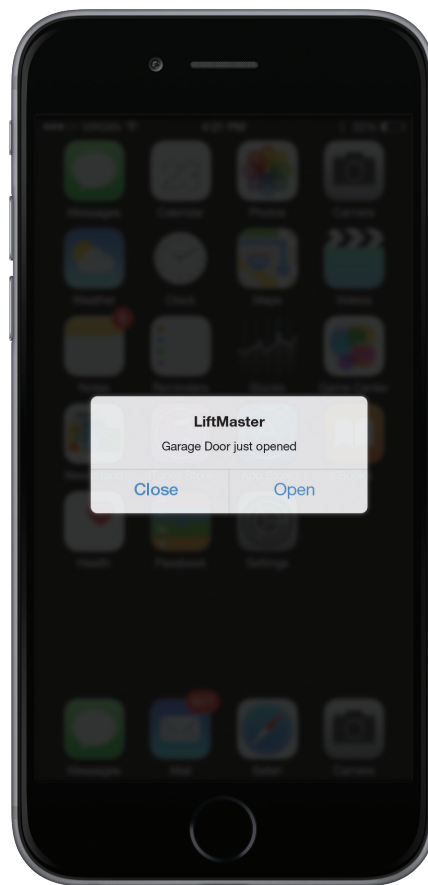

Patented MyQ® technology allows home buyers to check the status of their garage door, gate and home lighting. Using a smartphone, tablet or computer, they can control all three—from anywhere.

PERFORMANCE

No other professionally installed garage door openers or gate operators come with the performance-tested P3 Motors®, built specifically to be reliable and long lasting.

SAFETY AND SECURITY

Our access solutions are the most secure in the industry. Security+ 2.0® technology generates a new code every time the remote control is used, guarding against theft.

MyQ ACCESSORIES

Offer your home buyers these smart accessories.

Internet Gateway (828LM)
Enables smartphone control of the garage door and gate.

Garage Door & Gate Monitor (829LM)
Monitors and closes up to four garage doors or gates from any room in the house.

Remote Light Control (825LM)
Controls any lamp with the garage door opener remote control or a smartphone.

Remote Light Switch (823LM)
Controls home lighting with the garage door opener remote control or a smartphone.

THEIR DREAM HOME. YOUR GREAT REPUTATION.

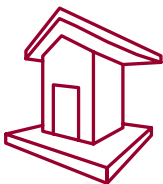

Studies show that 70% of upgrades displayed in model homes are chosen during the home-buying selection process. LiftMaster® has the best of the best to help you make that happen, with a reputation you can be proud of.

LiftMaster is the #1 brand of professionally installed garage door openers nationwide. For over 40 years, we've built our reputation—and our business—on innovations in safety and technology, investing more in this than any other brand in the industry. By doing so, we have revolutionized access control to deliver the quality and assurance home buyers increasingly demand. This has also led us to win *Builder Magazine's* Brand Leader Award in 2012, 2013, 2014 and 2015.

Not only do we offer top-of-the-line products, but we also have a variety of programs and tools to help you drive sales. Options include:

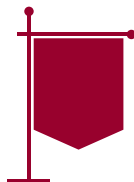

8500

Model home programs

Design studio displays

Point-of-sale tools

Accessory bundling programs

Sales training and support

GARAGE DOOR OPENER SOLUTIONS

8550W

REVOLUTIONARY INNOVATION MEETS RELIABLE DURABILITY.

LiftMaster®'s MyQ®-Enabled Garage Door Openers, built with industry-leading technology, give real-time notifications and allow users to open and close the garage door—all by phone, tablet or computer. Whether it's our Elite Series®, Premium Series or Contractor Series Garage Door Openers, we have a great fit for every price point.

Highlight these features and you both win:

P3 MOTORS®

Provides tested and proven durability and reliable performance.

BATTERY BACKUP

Ensures garage access even when the power goes out.

ENERGY EFFICIENCY

Turns on standby mode when idle, saving up to 75% power.

MyQ TECHNOLOGY AND BUILT-IN WI-FI®*

Enable secure monitoring and control of garage door openers and home lighting with a smartphone, tablet or computer.

POSILOCK®

Locks down the door by electronically monitoring against a forced opening.

TIMER-TO-CLOSE

Automatically closes the door after a pre-programmed number of minutes.

SECURITY+ 2.0®

Safeguards garage access by providing a new code to open the garage door every time, ensuring the door does not inadvertently open.
