A man wearing a yellow hard hat and a high-visibility yellow safety vest over a grey sweater is looking at a large set of architectural blueprints spread out on a table. A woman with long brown hair, wearing a tan blazer over a light-colored blouse, is leaning over the table, smiling and pointing at a specific section of the blueprints with a yellow pencil. The background is a bright, out-of-focus indoor space with greenery. In the bottom right corner, a yellow hard hat, a smartphone, and a laptop keyboard are visible on the table.
