The

MAGNIFICENT SEVEN

You know you're magnificent when the authority on energy efficiency says you're leading the industry through an impressive commitment to innovation. For the 7th straight year, Panasonic Eco Solutions was recognized by ENERGY STAR®, receiving the **2016 Sustained Excellence Award**.

This comes as no surprise considering our mission to provide homeowners with healthy indoor air quality through energy efficient ventilation fans. In fact, our WhisperGreen Select® fan-only models have been recognized as the Most Efficient by ENERGY STAR and has an incredible fan efficacy of up to 18.6 CFM/W. With over 20 years of standard-setting installed performance, we'll help you make the right choice on every job.
